

Agreement for CiRA Research Internship Program

I, [Name of Student], a student of [Name of University] ("**University**"), who participate in CiRA Research Internship Program hosting by Center for iPS Cell Research and Application ("**CiRA**") in Kyoto University ("**KU**") from MM/DD/YYYY to MM/DD/YYYY ("**Program**") and perform research activities in the Program ("**Research Activities**"), agree and comply with the following terms and conditions for my participation in the Program;

- 1) I will follow my host researcher's instruction at any time.
- 2) Handling of inventions and materials created or discovered through the Research Activities is subject to KU's internal regulations;
- 3) In compliance with Kyoto University internal regulations for prevention of misconducts in the Research Activities in KU, I will not fabricate data, falsify research results, disclose and/or use any idea, research process, and/or research results that I may be informed of from other researcher(s) to anybody else without permission of the other researcher(s), and do not act against researcher's ethics.
- 4) I will not use any information that I may access to during the Research Activities ("**Information**") for any other purpose except the Research Activities in KU without prior permission of KU before such Information becomes in the public domain.
- 5) I will not disclose and/or leak any Information to any third parties (Including but not limited to other researchers and students in the University) without prior permission of KU before such Information becomes in the public domain.
- 6) KU will own any findings in any form, including without limitation, records of work or tangible research results which I generate during the Program, as well as resulting patent application or patent covering the same if determined by KU.
- 7) I will not release or take any tangible research material (including but not limited to materials which I created through the Research Activities) ("**Materials**") out of the research space of KU without prior written approval from KU. Furthermore, I will not use Materials for any other purpose except the Research Activities in KU.
- 8) Upon termination of the Program or upon instruction of my host researcher, at KU's direction, I will return or destroy all confidential information retained in any form, including but not limited to, electronic media, hard copies and the duplicated papers, which are disclosed, made available or accessible by KU during the Program.
- 9) I will carry out the Research Activities in compliance with all applicable laws, statues, codes of practice or regulations, for example, those relating to research involving the use of animals or recombinant DNA or the ethical conduct of scientific research, and Personal Information Protection Law in Japan. Furthermore, I will observe all rules, regulations and

requirements of CiRA, KU, including but not limited to confidentiality, safety, and health.

- 10) KU, and their directors, officers, employees and agents shall not be liable for any loss, claim, damage, or liability of any kind (including death, injury, or illness) involving the University, myself or its/my property in the course of, arising out of or in connection with the Program and/or the Research Activities except to the extent that it is directly due to the gross negligence or willful misconduct of any of the directors, officers, employees or agents of KU.

- 11) I will have had insurance that covers liability, accidents, illness, etc., whether they occur outside or inside of KU, during the period of my stay for the Program by the time the Program starts.

- 12) I will pay the tuition set by Kyoto University for the agreed period of study.

- 13) Paragraphs 2), 3), 4), 5), 6), 7), 8), and 10) shall survive termination of the Program.

I hereby covenant that I agree and comply with the rules and regulations mentioned above when performing the Research Activities. I follow my host researcher's instruction at any time and understand that I may be instructed without prior notice to immediately suspend my duties in case I do not follow my host researcher's instruction and the rules and regulations.
