ADDRESS	53 Kawahara-cho, Shogoin, Sakyo-ku, Kyoto 606-8507, Japan. Woltjen Group , Center for iPS Cell Research and Application, Kyoto University ( Please write "Applications for Program-Specific Researcher" clearly on the envelope )
INQUIRIES	Knut Woltjen e-mail: <a href="mailto:woltjen-g@cira.kyoto-u.ac.jp">woltjen-g@cira.kyoto-u.ac.jp</a> (Please Feel Free to contact) * Please write "Inquiry for Technical staff" in the subject line

### POINT !

Dr. Woltjen, the PI of the lab, is from Canada, but speaks Japanese and English. His lab's members are international and maintain a family atmosphere, making it easy to engage people and manage day-to-day operations. Working at CiRA provides opportunities for hands-on experience with cutting edge instruments and techniques.
