ADDRESS	53 Kawahara-cho, Shogoin, Sakyo-ku, Kyoto 606-8507, Japan. Woltjen Group , Center for iPS Cell Research and Application, Kyoto University ( Please write "Applications for Program-Specific Researcher " clearly on the envelope )
INQUIRIES	Knut Woltjen e-mail: <a href="mailto:woltjen@cira.kyoto-u.ac.jp">woltjen@cira.kyoto-u.ac.jp</a> ( Please Feel Free to contact ) * Please write "Inquiry for Program-Specific Researcher " in the subject line

### POINT !

Dr. Woltjen, the PI of the lab, is from Canada. He is a very generous-hearted person. Because his lab is new and starting to grow, it has a family atmosphere, making it easy to engage people and manage day-to-day operations. It is also a great opportunity to get hands-on experience with cutting edge instruments and techniques.
